## COVID-19 (novel coronavirus) update

As a valued team member, I wanted to provide you with an update and detail the rollout of Sundale's Flu Vaccination Clinics.

### AGED CARE DIRECTION (No.26)

Last week the Queensland Government released [Aged Care Direction \(No.26\)](#).

From 3 May 2021, a person must not enter, or remain on, the premises of a residential aged care facility in the State of Queensland if:

- the person does not have an up-to-date vaccination against influenza, if the vaccination is available to that person.

*Note: the vaccination is not available to a person only if:*

- *the person has a medical contraindication (Guillain-Barré syndrome - lower immunity from cancer treatment – anaphylaxis reaction) to the influenza vaccine; or*
- *the person is observing the recommended waiting period between receiving the COVID-19 vaccine and the influenza vaccine.*

### OPTION 1 – FLU VACCINATION CLINICS

#### OPTION 2 – PRICELINE PHARMACY NAMBOUR

Sundale team members can receive a free flu vaccination at Priceline Pharmacy Nambour.

- Step 1 – Make a booking via the Priceline Pharmacy [website](#);
- Step 2 – Take your Sundale ID tag or pay slip with you as evidence of your employment at Sundale.

#### OPTION 3 –PHARMACY OF YOUR CHOICE

Sundale team members can receive a flu vaccination at a pharmacy of their choice.

Team members will need to provide evidence of their flu vaccination and the cost outlay (vaccination only) to their manager for reimbursement.

**PLEASE NOTE – If you have ever had any allergic reaction to a vaccine, DO NOT attend the Flu Vaccination Clinic.**

It's strongly recommended you receive your flu vaccination at a doctor's surgery or hospital emergency department.

If you are not vaccinated against the flu by 3 May 2021, you cannot work at an aged care facility.

Yours sincerely,

Danielle Mackenzie  
Sundale CEO
