COVID-19 (novel coronavirus) update

As a valued member of the Sundale community, I wanted to provide you with an update and outline Sundale's current approach to managing the COVID-19 situation.

RESIDENTS

Residents who have been in Victoria on or after 11 May 2021 must contact Sundale Retirement Villages Manager, Leigh Kersnovske (0448 560 331 or leigh.kersnovske@sundale.org.au) immediately, regardless of whether they have symptoms.

HOTSPOT

Earlier this afternoon, the Queensland Government declared Victoria a COVID-19 hotspot.

From 1am tomorrow (28 May), anyone who enters Queensland from Victoria will have to spend two weeks in hotel quarantine.

AGED CARE DIRECTION (NO.29)

In line with [Aged Care Direction \(No.29\)](#), anyone who has been in Greater Melbourne on or after 11 May cannot enter these facilities unless 14 days have passed since they were there:

- [aged care facilities](#)
- disability accommodation services
- hospitals
- correctional facilities

Sundale will continue to work with Queensland Health and make responsible, considered decisions to help minimise the threat of COVID-19 entering Sundale.

Yours sincerely,

Danielle Mackenzie
Sundale CEO
