Sundale Retirement Community residents are being reminded to check the [Queensland Health website](#) daily for the latest COVID-19 information, including current contact tracing alerts and related public health advice.

Sundale Retirement Community residents who have been to any of the [listed](#) exposure venues at the relevant times, must follow the health advice and contact Sundale Retirement Villages Manager, Leigh Kersnovske (0448 560 331 or leigh.kersnovske@sundale.org.au) immediately.
