COVID-19 (novel coronavirus) update

As a valued Sundale team member, I wanted to provide you with an update and outline Sundale's current approach to managing the COVID-19 situation.

SEQ RESTRICTIONS

As per a Queensland Government Directive, stay-at-home orders will end at 6pm tonight (2 July 2021) for Noosa, Sunshine Coast, Gold Coast, Ipswich, Logan Redlands, Lockyer Valley, Somerset and Townsville.

However, restrictions will remain in place for the next two weeks, including the wearing of masks outside of home, one person per 4 square metres, a maximum of 30 people in a home and seated eating and drinking in restaurants and cafes.

The Queensland Government has also extended lockdown restrictions in Brisbane and Moreton Bay for at least another 24 hours (until 6pm, 3 July 2021).

There are four reasons people in Brisbane and Moreton Bay can leave home:

- Essential education / work
- Essential shopping
- Healthcare / vaccination / provide care
- Exercise outdoors

TRAVEL

Despite the lifting of the stay-at-home orders (from 6pm, 2 July 2021) in Noosa, Sunshine Coast, etc., Sundale is encouraging team members to reconsider any travel plans to the Brisbane and Moreton Bay areas.

Sundale team members are being reminded to check the [Queensland Health](#) website prior to any shift for the latest COVID-19 information, including current contact tracing alerts and related public health advice.
