- **Indoor premises:** One person per 2m² or 100% allocated seated and ticketed capacity (e.g. restaurants, cafés, pubs, clubs, museums, art galleries, places of worship and convention centres)

CONTACT TRACING

Sundale Retirement Community residents are being reminded to check the [Queensland Health website](#) daily for the latest COVID-19 information, including current contact tracing alerts and related public health advice.

- Small bottles of hand sanitiser, which are now available upon entry;
- Antibacterial wipes;
- Maximum room and floor capacity signs, which remind residents and visitors of the importance of social distancing and the maximum amount of people allowed in each room.

To help protect the health and wellbeing of all residents and to minimise the threat of COVID-19 entering a Sundale Retirement Community, it is essential residents and visitors thoroughly clean and disinfect all surfaces at the conclusion of all gatherings in a Sundale Clubhouse / Hub.

To help protect the health and wellbeing of all residents, Sundale team members will monitor Clubhouse / Hub activities to ensure the restrictions put in place by the Queensland Government are being met.

Sundale will continue to work with Queensland Health and make responsible, considered decisions to help minimise the threat of COVID-19 entering any Sundale facilities.

Yours sincerely,

Danielle Mackenzie
