COVID-19 (novel coronavirus) update

As a valued team member based at Sundale HQ, I wanted to provide you with an update and outline Sundale's current approach to managing the COVID-19 situation.

HQ

In response to the evolving COVID-19 situation, particularly the growing list of contact tracing locations in the Brisbane City Council, Moreton Bay Regional Council and Gold Coast City Council areas, Sundale has made a considered decision to close HQ until further notice.

Sundale's COVID-19 Response Team will review this decision on **Tuesday, 5 October 2021**.

If access to HQ is urgently required, team members must contact their Executive Manager for approval.

Sundale will continue to work with Queensland Health and make responsible, considered decisions to help minimise the threat of COVID-19 entering any Sundale facilities.

Yours sincerely,

Michelle McGowan
Executive Manager Aged Care and Community Services
