## COVID-19 (novel coronavirus) update

As a valued member of the Sundale community, I wanted to provide you with an update and outline Sundale's current approach to managing the COVID-19 situation.

### CARE CENTRE VISITORS

As per [Queensland's COVID Safe Future roadmap](#), visitors who live in the Brisbane City Council area and Moreton Bay Regional Council area (**from 10am, Tuesday 28 September**), or the Gold Coast City Council area, Logan City Council area, Palm Island Aboriginal Shire Council area and Townsville City Council area (**from 4pm, Wednesday 30 September**) or is a close contact, is in quarantine, isolating awaiting a test result, or who in the past 14 days has been in a declared interstate hotspot or exposure venue of concern, **will not be permitted entry to a Sundale Care Centre.**

The decision acknowledges Queensland Health's decision to declare the Brisbane City Council area, Moreton Bay Regional Council area, Gold Coast City Council area, Logan City Council area, Palm Island Aboriginal Shire Council area and Townsville City Council area [Restricted Areas](#) for the purposes of the [Residential Aged Care Direction \(No.9\)](#).

Sundale will continue to work with Queensland Health and make responsible, considered decisions to help minimise the threat of COVID-19 entering any Sundale facilities.

Yours sincerely,

Michelle McGowan  
Executive Manager Aged Care and Community Services
